President’s Message

As we embark on this new year, I want to take a moment to thank our membership for your continued support. We are honored that you have chosen Fleur De Lis Federal Credit Union as your financial institution.

I want to take a minute to reflect on our accomplishments in 2017. In 2017, we continued to seek the best products and services for you, our loyal membership. We worked very hard to get a new enhanced web site designed. We hope to launch it in early 2018. We continued our dealership partner program allowing our current and prospective members to sign for loans in dealerships all around the New Orleans Metro Area. We also continued to provide new loan promotions including a new Visa Introductory Special Rate and an all new Holiday Loan.

We are looking forward to an exciting year ahead as we have secured partnerships to bring the services that members need such as online bill pay, mobile deposit capture, online banking enhancements, and more. These new partnerships will also bring a feature rich online banking experience as well as improvements to the operational efficiency of the credit union.

Our primary mission is to provide the resources and tools necessary for our members to improve their financial well-being. We could not do this without such a loyal membership base. Once again, we thank you for your support. We wish every one of you a safe and Happy New Year!
